

Nwanjoh Nalian Achei

Software Engineer with over 3 years of experience creating and launching web applications. Skilled in front-end technologies like **HTML**, **CSS**, **JavaScript**, **React.js**, and **Next.js**, as well as back-end frameworks such as **Ruby on Rails**, **Node.js**, and **Python**. Experienced in managing cloud services and DevOps tools, including **AWS**, **Docker**, **Jenkins**, and **Kubernetes**. Recognized for taking ownership of projects, communicating effectively, and working well with different teams to achieve goals. Eager to learn new technologies and stay updated with industry trends.

WORK EXPERIENCE

Codegisoft, Yaounde', Cameroon — *Full Stack Engineer*

A software development company and a technology training center Feb 2024 - present

- Developed and maintained scalable web applications for clients using JavaScript, React JS, Python PostgreSQL, and Node.JS.
- Conducted **code reviews**, ensuring adherence to coding standards and best practices to maintain clean, scalable, and secure codebases.
- Built and documented APIs for all clients' projects and supported frontend engineers with API integrations.
- Implemented cloud-based infrastructure using **AWS** services, including **EC2**, **S3**, and **Lambda**, to ensure efficient application deployment and management.

Credixcam.SA, Yaounde', Cameroon— *DevOps Engineer Intern*

A fintech company Oct 2023 - Jan 2024

- Implemented **deployment strategies** using **Docker**, ensuring consistent application rollouts.
- Supported **CI/CD pipeline** setup and maintenance, improving deployment efficiency and reliability.

Self Employed, Remote— *Full stack Web Developer*

Freelancing Aug 2021 - Oct 2023

- Developed and maintained **15+ responsive websites** for diverse clients, increasing their online engagement by an average of **30%**.
- Collaborated with clients to deliver tailored web solutions using HTML, CSS, and JavaScript, completing projects on average **two weeks ahead of schedule**.
- Improved SEO, resulting in a **50% increase in organic traffic** within **three months**.

ETS NTECH, Yaounde', Cameroon— *Software Developer Intern*

An Information Technology Consultancy Firm June 2021 - Aug 2021

- Maintained the company's website and designed and developed a highly responsive and interactive advertisement website using **HTML**, **CSS**, and **JavaScript**.
- Worked closely with UI/UX designers and developers to integrate APIs and deliver seamless data flow between front-end and back-end systems.
